

DECORATING CENTRE

YOUR **HOME**  
YOUR **CHOICE**

*Welcome...*

to the North West Leicestershire District Council Decoration Pack Scheme.

In partnership with Johnstone's Trade, we are giving you a selection of high quality paints and products to help you decorate your home. Please use this booklet to help choose your paint colour. This booklet also includes helpful information on which products should be used where in your home to ensure the best protection.

# COLOUR CHOICE

Colour is the best way to make a house a home. Please choose your wall colour from the palette\* below.

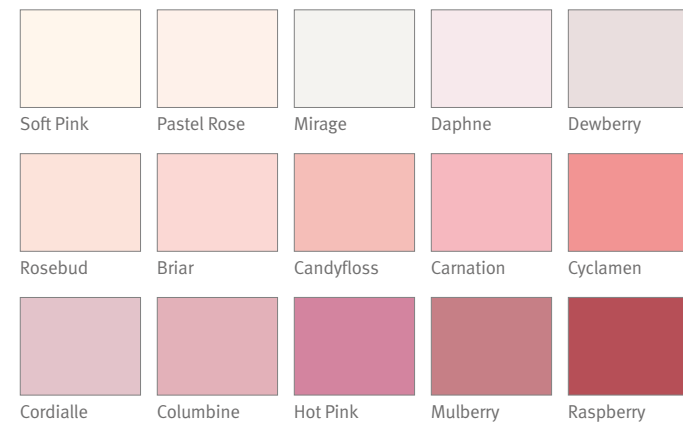

## Modern Classics

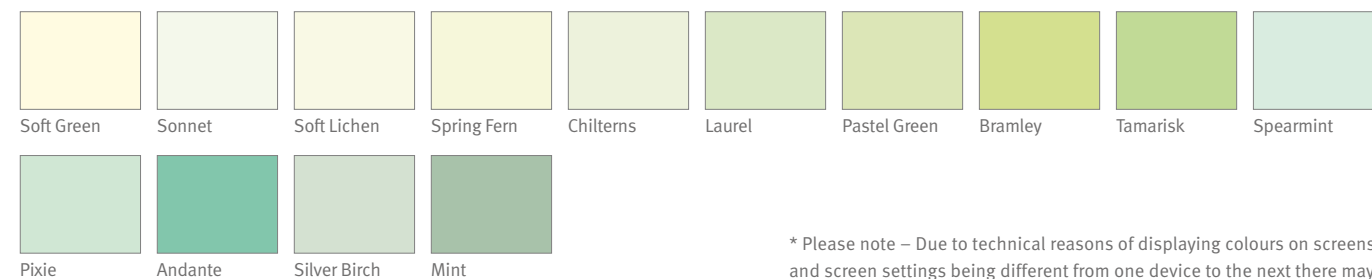

## Off Whites & Yellows

## Pinks & Purples

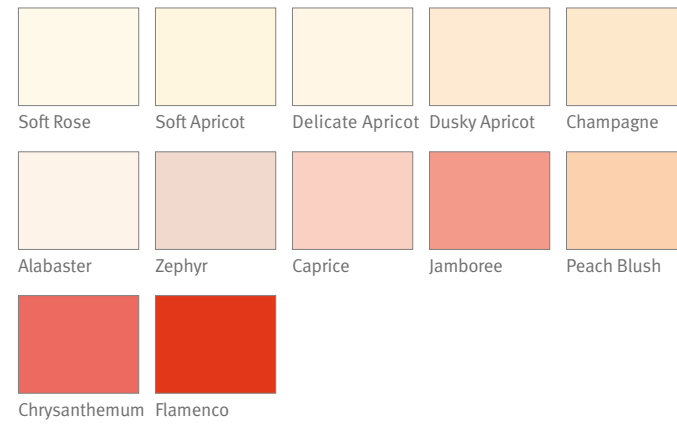

## Greens

## Neutrals

## Oranges & Reds

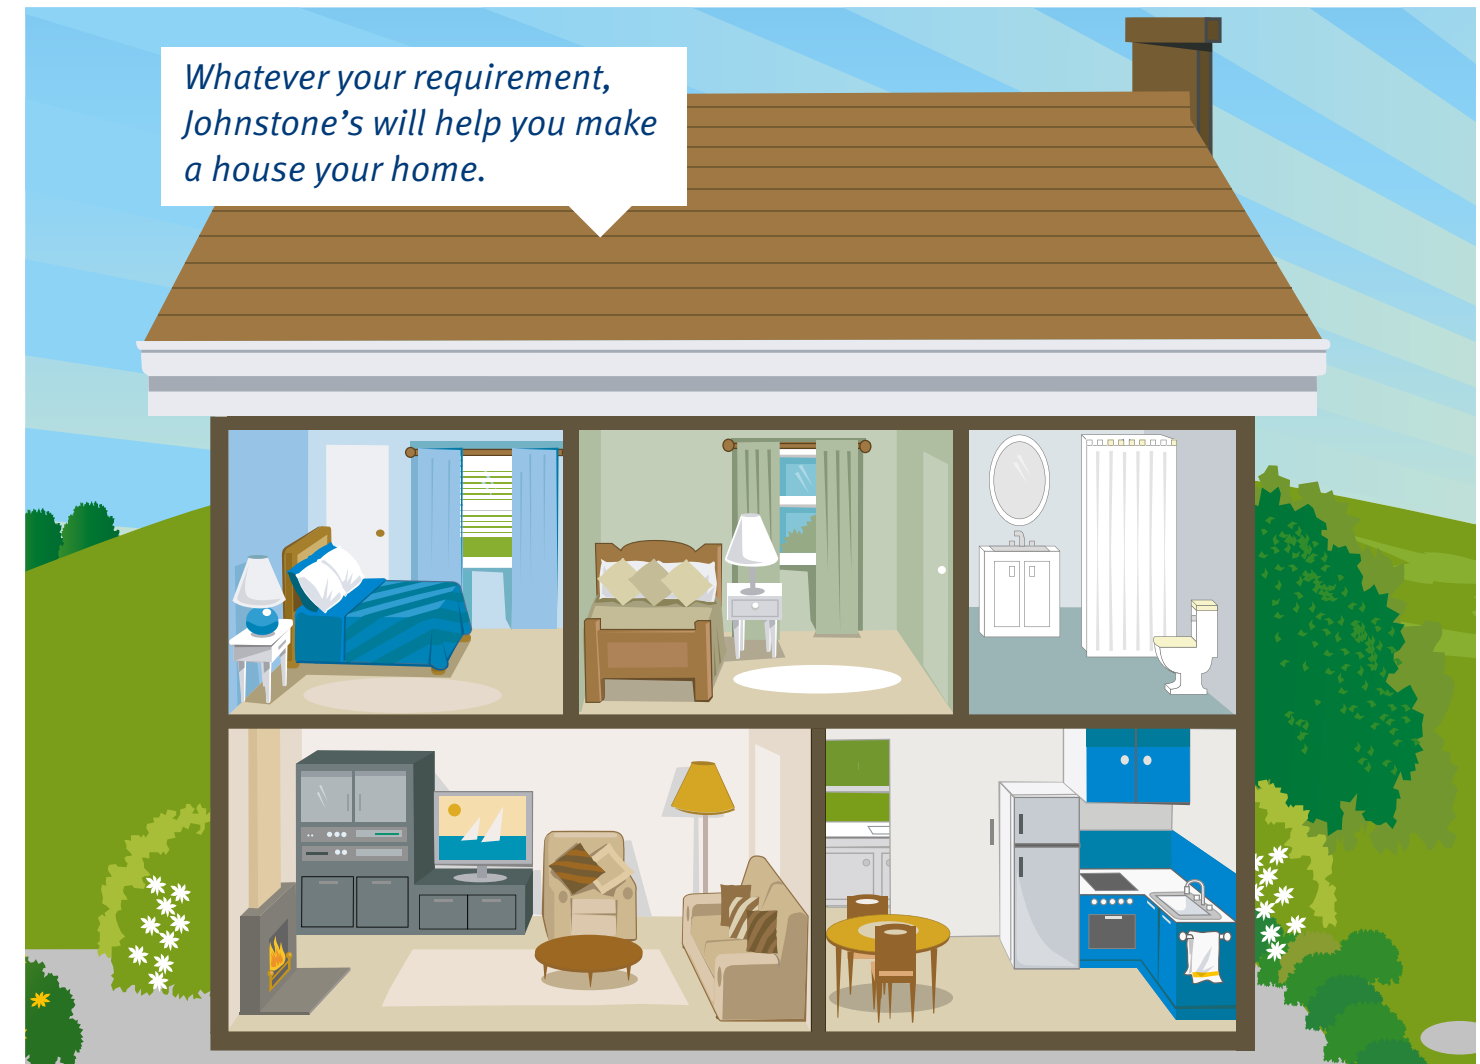

## Blues & Greys

\* Please note – Due to technical reasons of displaying colours on screens and screen settings being different from one device to the next there may be variations in the colour you see on your screen and the colour of the paint.

# WHAT TO USE WHERE...

The paint finish you choose will depend on your desired sheen and durability. To help you choose the paint most appropriate for your project, we have highlighted where our products are particularly suited alongside a sheen level indicator that will allow you to decide what to use where.

## Walls

You may be interested to know that the products listed below are a part of our Ecological Solutions range which means that they are all water based and environmentally friendly. Our high quality wall paints are all water based meaning they are low in odour and quick drying.

Johnstone's Covaplus Vinyl Matt an emulsion that provides a smooth, matt finish, perfect for a contemporary look and to hide surface imperfections.

Johnstone's Acrylic Durable Eggshell Perfect for kitchens and bathrooms as its specially formulated to provide durable protection in areas of high condensation, resisting moisture, stains, grease and general everyday living. This product can also be trim (interior wood) areas and will leave you with a durable long lasting finish.

## Doors, Skirting Boards & Stair Spindles

Our range of products for woodwork provides you with an excellent choice of both solvent and water based options.

Johnstone's Acrylic Satin provides a contemporary and tough mid sheen finish. The water based, low odour formula is self undercoating and fast drying, which makes this paint both quick and easy to use.
