

**North West Leicestershire District Council (Off-Street Parking Places) Order 2021
(Amendment No.2) Order 2024**

Statement of Reasons

In accordance with its general function as to the provision of off-street parking places within the District and its ongoing responsibility to review such arrangements, the proposals detailed in the Public Notice and contained in the proposed variation to the Order are intended to:-

- (a) Convert 25 existing parking places (bays – marked in red on plan below) into three-hour maximum stay parking places (bays) with no return within one hour at the High Street Car Park, Ibstock, Leicestershire, LE67 6LG.

- (b) The hours of operation for the time restricted bays above at (a) will be between 8am until 5pm Monday to Saturday (except bank holidays).

The reasons for North West Leicestershire District Council intending to make the above variations are owing to recent feedback received from Ibstock Parish Council and local leisure and retail businesses, who have requested that maximum stay bays are introduced to help encourage faster turnover of spaces to support local businesses and their customers.

The proposed variation to the Order may be examined at the Customer Service Centre, Belvoir Shopping Centre, Coalville, Leicestershire LE67 3XF between the hours of 9.00 a.m. and 5.00 p.m. Monday to Friday (4pm on Thursdays). The proposed variation to the Order can also be viewed on the Council's website at www.nwleics.gov.uk.

Any objections must be made in writing. If you wish to object to the proposed variation to the Order, you should send the grounds of your objection in writing to the Head of Community Services, using the below contact details, by no later than **29 February 2024**
