

CHANGES to REGISTER OF MEMBERS' INTERESTS

This form should be used to notify the Monitoring Officer of any changes to your Register of Interests that occur after you have submitted your first full Register of Interests form. You must register any changes within 28 days of becoming aware of the change. You should only include the *changes* on this form, (State 'Add or 'Delete....' in the appropriate box).

Please use the main Register of Interests Form if you wish to replace the Registration form(s) that you have previously submitted.

If there is insufficient space in any of the boxes below to include all your interests which are required to be disclosed, please attach a separate sheet identifying which question is referred to, and write 'See *separate sheet*' in the relevant box on the form.

If you are unsure about whether an interest is one which you need to disclose, or are concerned that you have an interest which is sensitive under the Code and should not be disclosed to the public, please seek clarification from the Monitoring Officer. If in doubt (and unless an interest may be sensitive) register the matter and seek clarification later. **You must answer all the questions.**
