Decision Title
Leader's Decision regarding Executive Arrangements
Decision Details
<p>The Leader decided his executive arrangements for the 19/20 municipal year at the Annual Meeting on 21 May 2019. The Leader set out who the Cabinet members would be with their portfolios. The leader decided that the executive decisions would be taken by Cabinet as a collective body.</p> <p>Given the national situation regarding COVID19, the Leader has taken a decision to change the arrangements for the exercise of executive powers which was made at Council on 21 May 2019 for a temporary period as follows:</p> <p>Executive decisions are delegated to individual portfolio holders. These delegations will be as follows:</p> <ol style="list-style-type: none"> 1. In the first instance a decision will be made by the relevant portfolio holder 2. Should the portfolio holder be unavailable to act, then the decision will be made by any other member of Cabinet. <p>These arrangements will be kept under review by the Leader and the Chief Executive and the Leader may choose to change the arrangements again should the circumstances require it.</p>
Reason for Decision
<p>The Council is responding to the COVID 19 Pandemic. The Council is taking steps to ensure that it continues to provide critical services to the community and that the democratic decision making process can continue to operate.</p> <p>Given the guidance from the Government on social distancing, avoiding gatherings and taking precautions for those groups at risk, the Leader has reviewed his existing executive governance arrangements and decided to put an alternative process in place.</p>
Source of Delegation/decision making power
<p>The Local Government Act 2000 sets out how councils must run their executive arrangements. We have a leader and cabinet model (which can be 2-9 other members).</p> <p>The Local Authorities (Functions and Responsibilities) (England) Regulations 2000 set out which functions are Council functions and decisions made by Council, officers (under delegated powers) or one of the Council's Committees and which are Executive functions where decisions are made by officers (under delegated powers) or the executive.</p> <p>S9E LGA 2000 – provides that the executive arrangements are the responsibility of the leader and Cabinet. However, the leader may arrange for the discharge of any of the executive functions by:</p> <ul style="list-style-type: none"> • Another member of the executive • An officer of the authority <p>(there are other options in the list in S9E which are not relevant here)</p> <p>NWLDC constitution reflects the legal position – see Executive Procedure Rules.</p>

The leader tells council at the AGM how he intends to exercise his executive powers for the forthcoming municipal year and this is then reflected in Article 7 and part 3 of the constitution.

The Executive Procedure Rules allow for the individual member decision making.
