

North West Leicestershire District Council

Infrastructure Funding Statement

Reporting year

2022-23

Introduction

This report is a summary of developer obligations the District Council has secured through section 106 (s106) agreements from new developments for the financial year of 1st April 2022 to 31st March 2023 (the reporting year) and has been prepared in accordance with the Community Infrastructure Levy Regulations 2010 (as amended).

In summary, the report provides:

- An overview of the new S106 agreements signed in the reporting year (see appendix 1)
- An overview of the financial position at the end of the reporting year
- The delivery and provision of infrastructure during the reporting year

The information included in the report will be updated annually and published on the Council's website. This will ensure the most up to date information on the amount of developer contributions received from new developments, in addition to information on where these monies have been spent, is readily available to members of the public and other interested parties.

The report does not include information on the open space infrastructure delivered on site as part of new developments in the district. This is due to the fact that on site provision normally includes a settling in maintenance period prior to being transferred to long term maintenance and this process can take several years and currently has too many variables for satisfactory reporting. We will endeavour to add this topic to future reports.

Please note that data on developer contributions represents estimates at a given point in time and can be subject to change. It should be noted that Leicestershire County Council is responsible for expenditure in relation to a number of key infrastructures, such as schools, civic amenity sites, libraries, public transport and highways. This report does not set out any information in respect of expenditure for these items. Further information regarding these can be obtained from Leicestershire County Council at the following link:

<https://www.leicestershire.gov.uk/environment-and-planning/planning/developer-contributions>

Section 106 Obligations

When development takes place, it adds additional demands on the local infrastructure, such as schools and health facilities, therefore it is important to ensure that appropriate levels of infrastructure are provided as part of the new development to support the growth required by the Local Plan. This is done through a S106 Legal Agreement which secures their provision. A Local Planning Authority can seek obligations under s106 of the Town and Country Planning Act 1990, when it is considered that a development will place additional pressure on the local infrastructure that cannot be dealt with through conditions in the planning permission.

Obligations may be

- 'in kind' where a developer provides the required infrastructure themselves, for example, on site open space or highways works.
- 'financial contributions' which will meet the cost of the requirement at an off-site location, for example additional school places or additional capacity at the local GP Surgery
- In some case there may be a combination of the two to ensure that the correct mitigation of a development is secured.

There are also times when obligations are used to secure something that cannot be secured via a condition for example access for Council Waste collection vehicles over non adopted roads.

Regulations state that a planning obligation may only constitute a reason for granting planning permission for the development if the obligation is:

- **necessary** to make the development acceptable in planning terms;
- **directly related** to the development; and
- **fairly and reasonably related in scale and kind** to the development.

The Local Plan sets out our general approach to securing the provision of infrastructure and more specific requirements for different types of infrastructure, via the policies contained in the Infrastructure and Facilities chapter, particularly under Policy IF1. The Local Plan can be inspected at the following web page:

https://www.nwleics.gov.uk/pages/local_plan

Once the S106 has been signed the obligations within it will only be realised if the planning permission is implemented and reaches the trigger point for the obligation to be paid or executed, such as the commencement of a development or prior to the occupation of a dwelling or a non-residential building. When the planning permission is granted, the S106 obligation is registered as a land charge which stays with the land, obligating any future owners until the terms are met.

Most of the types of infrastructure that the District Council collects Contributions for will be the responsibility of a third party such as the NHS Leicester, Leicestershire and Rutland Integrated Care Board, National Forest or a parish/town council, rather than the District Council. The District Council is responsible for receiving the appropriate funds and then holding on to them until they are required.

Summary of contributions and expenditure since 2017

The table below summarises the contributions received for the last six financial years to the end of 2022/23. The expenditure column relates to all monies spent in that particular year, irrespective of which year the money was received. The balance figure is, therefore, the total amount being held at the end of each financial year.

Table 1 summary of contributions by year

Year	Received	Expenditure	Balance at end of financial year
2017/18	£3,999,835.54	£2,115,772.77	£5,586,896.96
2018/19	£4,174,022.36	£2,099,185.70	£7,670,800.33
2019/20	£2,542,296.16	£2,264,989.26	£7,986,963.74
2020/21	£1,600,561.68	£129,940.75	£8,304,965.73
2021/22	£974,459.57	£2,208,232.91	£7,103,538.04
2022/23	£790,659.39	£616,106.90	£7,409,979.31

New Legal Agreements for the Reporting Year

Appendix 1 to this report summarises the section 106 agreements that have been signed during the reporting year. These range from new agreements (for example a new site which has obtained planning permission) to deeds of variation which ensure that obligations that are already secured are retained as a development is varied, although at times some obligations are amended through this process as well.

As the new legal agreements from the reporting year (25 in total) have been summarised, copies of the agreements together with other documentation from each planning application can be viewed online on our planning portal at:

https://www.nwleics.gov.uk/pages/view_planning_applications

where, once the Terms and conditions have been accepted the documents can be searched for using the relevant application number as identified in Appendix 1.

Summary of Infrastructure Provision by Subject

The following sections are used to breakdown the infrastructure provided within the reporting year into different topics. There is some explanation under each heading as to the specific topic and the expenditure is shown against an application site so that it is clear where the funding for that project has come from.

Affordable Housing

Table 2 below sets out for the reporting year those affordable houses which have been built as part of a larger development under a legal agreement (referred to as on-site affordable housing provision) and then transferred to a Registered Provider (such as a housing association) or (in the case of discounted open market) offered on the open market at a discounted price. Most of the units have been provided by developers as a percentage of the overall development they have / are

building as part of their obligations. Please note that, some major sites will take more than one year to build out and may provide their affordable housing over several years.

Additional affordable housing has also been provided by Registered Providers using other funding streams, details can be found in the Council's Delivery Plan.

Details of the affordable housing provision secured by the legal agreements signed in the reporting year can be found in Appendix A under the relevant site information.

Table 2 summary of affordable units provided in the reporting year

Application number	Application site address (developer, if more than one on site)	Units provided in reporting year
16/00542/OUTM	Land at Worthington Lane, Newbold	4 Affordable Rent
18/00827/REMM	Former Arla Dairy Smisby Road, Ashby de la Zouch	2 Affordable Rent 10 Shared Ownership
18/00375/REMM	Land North of Grange Road Hugglescote (David Wilson Homes)	3 Affordable Rent 4 Shared Ownership
17/01326/REMM	Land South of Greenhill Road, Coalville	15 Affordable Rent 3 Shared Ownership
19/01581/REMM	Beesleys Garden Centre, Heather Lane, Ravenstone	9 Affordable Rent
15/00641/FULM	Land North of Wainwright Road Hugglescote (Davidsons Homes)	4 Affordable Rent 5 Shared Ownership
18/02198/FULM	Priory Nursery Garden Centre, Ashby Road, Breedon On The Hill	4 Affordable Rent 1 Shared Ownership
19/00076/REMM	Land to the South of Park Lane, Castle Donington (Miller Homes)	15 Affordable Rent 4 Shared Ownership
16/01104/REMM	Land Adjoining Clare Farm, Station Road, Ibstock	3 Affordable Rent 8 Shared Ownership
18/01006/REMM	Land on the North Side Butt Lane, Blackfordby	6 Affordable Rent 4 Shared Ownership
15/00465/VCUM	Land adjoining Holywell Spring Farm, Burton Road, Ashby De La Zouch	11 Affordable Rent 6 Shared Ownership
17/00320/REMM	Land at Grange Road Hugglescote (Davidsons Homes)	4 Shared Ownership
20/00807/FULM	Former Site of Arla Dairies, Smisby Road, Ashby De La Zouch	5 First Homes
	Totals	76 Affordable Rent 49 Shared Ownership 5 First Homes

Leisure and Recreation and Land and Open Space

Table 3 lists the projects the District Council are responsible for and have drawn monies for in the reporting year.

Table 3 summary of projects by NWLDC in the reporting year

Maintenance of POS Contribution		
<i>Contribution</i>	<i>Application No</i>	<i>Development site</i>
£8,606.00	96/0808	Bardon Close
Maintenance of Wooded Area Contribution		
<i>Contribution</i>	<i>Application No</i>	<i>Development site</i>
£1,660.00	96/0808	Bardon Close
One off works - Headingley Jetty Area		
<i>Contribution</i>	<i>Application No</i>	<i>Development site</i>
£2,880.00	96/0808	Bardon Close

Police

There was no expenditure of S106 monies by the police in 2022/23.

National Forest Company

There was no expenditure of S106 monies by the National Forest Company in 2022/23.

Parish / Town Councils

Table 4 lists the projects that Parish and Town Councils have drawn monies for in the reporting year, which require authorisation from the District Council as the Parish / Town Councils are not signatories.

Table 4 summary of projects by Parish / Town Council in the reporting year

Measham		Bosworth Road Recreation Ground
<i>Contribution</i>	<i>Application No</i>	<i>Development site</i>
£14,368.01	14/00445/FULM	Land adj Greenacres / Bosworth Road, Measham

Table 5 lists contributions due directly to the Parish / Town Council, which have been collected on their behalf. However, as they are a signatory of the legal agreement, the spending of the contributions is the responsibility of the Parish / Town Council.

Table 5 summary of contributions transferred directly to the Parish / Town Council in the reporting year

Castle Donington		First Tranche Youth & Adult Facilities
<i>Contribution</i>	<i>Application No</i>	<i>Development site</i>
£78,984.16	09/01226/OUTM	Land North & South, off Park Lane, Castle Donington (Clowes Developments)
£144,297.37	09/01226/OUTM	Land North & South, off Park Lane, Castle Donington (Miller Homes)

River Mease

The River Mease is an important lowland clay river flowing through the counties of Leicestershire, Derbyshire and Staffordshire before it reaches the Trent between Lichfield and Burton upon Trent and has been designated as a Special Area of Conservation (SAC) for nature conservation.

The species and habitats are under threat from pollution and poor water quality mainly due to high phosphorus levels. Further information on the river Mease SAC can be found at the following links:

https://www.nwleics.gov.uk/pages/developments_within_the_catchment_area_of_the_river_mease_special_area_of_conservation

<https://www.rivermease.co.uk/>

Please note that the River Mease SAC covers three local planning authorities, North West Leicestershire is the authority with responsibility for holding and spending the funds on behalf of Lichfield and South Derbyshire District Councils as well as North West Leicestershire.

Table 6 summary of the spending on the River Mease projects in the reporting year

<i>Contribution</i>	<i>Application No</i>	<i>Development site</i>
£17,638.08	Various sites	South Derbyshire District Council
£2,152.39	18/00892/FUL	Pickering Plant Hire, Ashby Road, Measham
£424.64	15/00810/FUL	Land adjoining 215 Ashby Road, Moira
£3,1726.98	13/00857/OUTM	Land at Leicester Road, Ashby de la Zouch
£2,199.32	18/00228/FUL	15 Canal Street, Oakthorpe

£9,750.00	12/00007/OUTM	Land North of Standard Hill, Coalville
£1,245.19	14/00244/OUTM	Home Farm 25 Main Street, Oakthorpe

Appendix 1

IFS summaries for new legal agreements in the reporting year of 2022-23

As required by the CIL Regulations 2010 (as amended) Section 121A paragraph 5 this report does not include obligations that are the responsibility of other authorities, such as the County Council. For information on obligations due to the County Council (LCC) please refer to their IFS report.

The legal agreements entered into for the reporting year 2022/23 have been summarised below in table format to enable legal agreements that refer to the same site to be reported together.

- A blue banner means that the agreement is the first (original) agreement for a development.
- A yellow banner means that the agreement is amending obligations already secured in an original agreement and reference to the earlier application may be required. The original application reference is included in the table to allow for this cross referencing.
- A green banner denotes the obligations secured in this reporting year and is followed by a summary of the details. If no obligations are secured in the reporting year for the Council then the Notes section will explain what the agreement covers.

Please note that any financial obligation secured will be subject to the application of indexation / interest, as relevant, which is why there are differences between secured and received obligations.

If there is a need to refer to a legal agreement for either the reporting year or earlier agreements in a chain please use the following link and the application numbers referenced in the relevant table.

https://www.nwleics.gov.uk/pages/view_planning_applications

Parent Application					
Application reference	19/00225/FUL				
Site Address	15 Bridge Street, Packington
