**Subject:** Local Plan Partial Review - Publication Consultation

### **Local Plan Partial Review**

When our adopted Local Plan was approved by the Planning Inspectorate, we were required to carry out a substantive review within two years, i.e. by February 2020.

We are now proposing to extend the timescale by which we have to submit this substantive review – through a process called a Partial Review. We believe this will allow us extra time to gather robust evidence to support our planning policies contained in the Local Plan, including:

- . Housing need
- . Employment land need
- . Climate change
- . Health and wellbeing
- . Infrastructure

**The Partial Review therefore seeks solely to amend Policy S1 (and supporting text) of the adopted Local Plan.**

We are not proposing to make any other amendments to the adopted Local Plan through this Partial Review – more fundamental changes will be made through the [Substantive Review](#) which is being undertaken in parallel.

## **Publication Consultation**

Between today (20 November 2019) and 8 January 2020 the District Council is consulting on a publication version of the Local Plan Partial Review. The Publication version is the final stage of plan making before the Local Plan Partial Review is submitted to the Planning Inspectorate.

We have published the documentation for consultation – this consists of:

- **Publication consultation document**

- (containing an amended Policy S1 of the

- adopted Local Plan) **Sustainability**

- **Appraisal** (incorporating Equality

- Impact Assessment and Health Impact

- Assessment) **Habitats Regulations**

- **Assessment**

In addition, to assist with the consultation process, we have also published:

**Statement of Representations Procedure/Statement of Fact** – outlining the details of the consultation

**Statement of Consultation** – showing the various stages of consultation undertaken up to this point

**Statement of Common Ground** – which has been agreed informally with each of the local authorities in the Leicester and Leicestershire Housing Market Area to support the Partial Review. Each authority will now take this through their own procedures for sign-off.

## **We are now seeking your views on the documentation.**

All of the information, including how to respond, can be found on our consultation website at:
