

North West Leicestershire Local Plan Partial Review

Agenda Day 3

Thursday 17 September 2020 10:00

1. Welcome and Introductions
2. Opening remarks by the Inspector
3. Main Issue 3

Whether the proposed changes to paragraph 5.8 are justified, effective and consistent with national policy and guidance?

Q1. Is the change to the supporting text at paragraph 5.8 justified and what are the implications for the rest of Policy S1?

- Implications, if any, of the changes to the Use Classes Order
- Correction of figures relating to the Housing and Economic Development Needs Assessment
- The implications of recent permissions and resolutions to grant permission

Q2. Will paragraph 5.8 be effective having regard to the other employment policies in the Local Plan and will there be any effect on the flexibility of Policy Ec2 (2) and Q3. What would be the implications for the delivery of strategic warehousing/logistics within the area as a result of the proposed changes to Policy S1 and supporting text?

- Whether figures in un-determined applications are correct and the implications for Policy S1.
- GL Hearn study on warehousing and logistics – consequences for Policy S1, if any.

Any Other Matters
