

# Ellistown Neighbourhood Plan

## Consultation Event

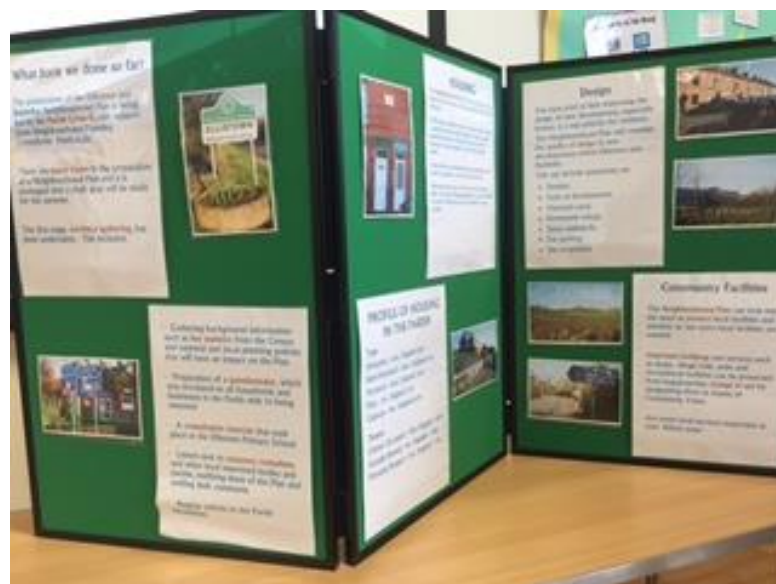

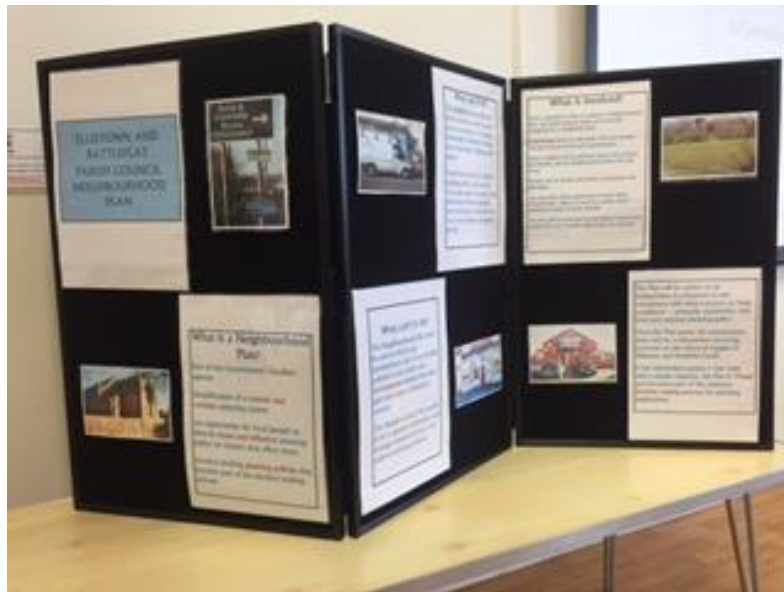

### Ellistown Primary School

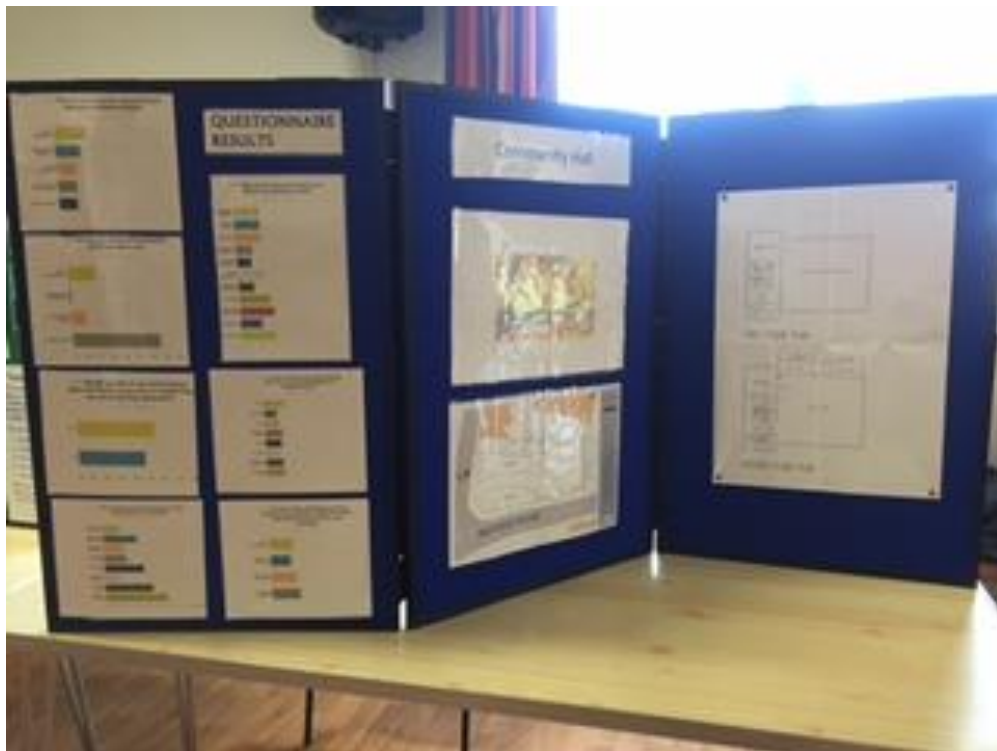

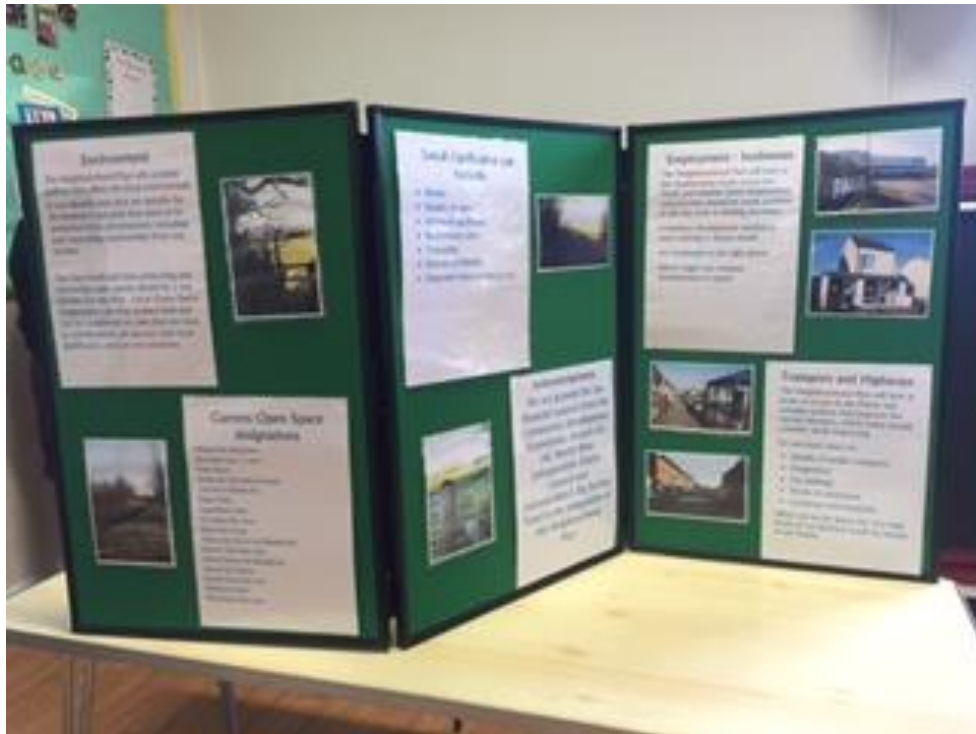

February 2015

#### 1. Introduction

A Neighbourhood Plan consultation event took place at the Ellidstown primary School on Tuesday 24 February 2015 between 1:30 pm and 3:30 pm. The event had been promoted through a leaflet distributed to each household in the Parish, through information placed on the Parish Council website and through an article in the local community newsletter.

The display boards prepared for this event charted the progress of the Neighbourhood Plan to date:

A presentation had been prepared to guide those who attended through the process of the various stages of preparing a Neighbourhood plan and opportunities were available to discuss progress over a cup of tea and a piece of cake.

The policies that were presented had been produced as a result of the analysis of the community questionnaire, previous consultation events, deliberations of the Neighbourhood Plan Steering Group and evidence gathered from census data and other sources.

A small group of residents and stakeholders attended the meeting.

Those present were informed that the Neighbourhood Plan would be finalised in the coming months and that there would be a further opportunity for comment once the draft Plan had been written and approved by the Parish Council.
