Data Protection

We may share information with organisations and individuals with a legitimate interest in our grant funding programmes. We have a duty to protect public funds and for that reason we may also share information with other government departments, organisations providing matched funding or for the prevention and detection of crime.

If you provide false or inaccurate information in your application or at any point in the life of any funding we award you and fraud is identified, we will provide details to the fraud prevention agencies to investigate. We might use the data you provide for research purposes. We recognise the need to maintain the confidentiality of vulnerable groups and their details will not be made public in any way, except as required by law.

On the success of your project, we retain the right to advertise your project in local and national media, including social media.

Freedom of Information Act

The Freedom of Information Act 2000 gives members of the public the right to request any information that the district council holds. This includes information received from third parties, such as, although not limited to grant applicants, grant holders, contractors and people making a complaint. If information is requested under the Freedom of Information Act we will release it, subject to exemptions; although we may choose to consult with you first.

By ticking this box you confirm that you understand North West Leicestershire District Council's obligations under the Data Protection Act from 1998 to 2018 and the Freedom of Information Act 2000. You accept that as long as the Council's actions conform to the relevant law it will not be liable for any loss or damage that your group might suffer as a result of the Council fulfilling its obligations.
