Dear Sir/Madam

Hugglescote & Donington Le Heath Neighbourhood Plan

Thank you for the notification of the 11 March 2021 consulting the Coal Authority on the above Neighbourhood Development Plan.

The Coal Authority is a non-departmental public body which works to protect the public and the environment in coal mining areas.

Our records indicate that there are recorded risks from past coal mining activity at surface and shallow depth within the identified area including; mine entries and likely unrecorded coal workings. However, the Neighbourhood Plan does propose to allocate any sites for future development and on this basis we have no specific comments to make.

Yours sincerely
