Your council tax explained

Council tax is a local tax used to fund local services. Council, police and fire services are paid for with income from the tax, together with income from Government grants and other charges.

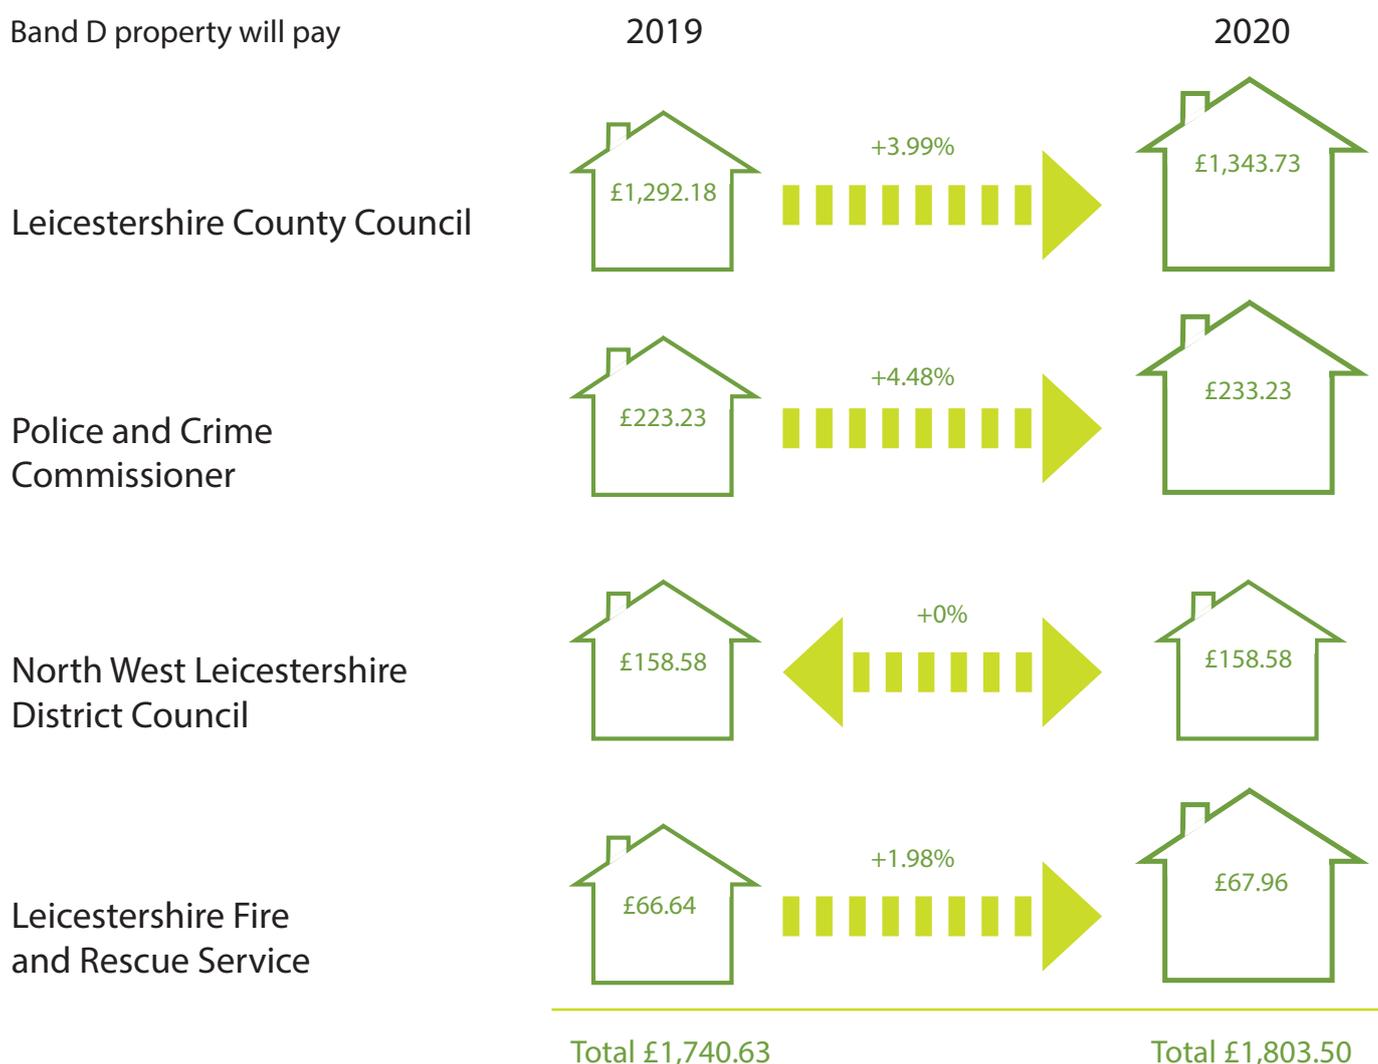

Owner occupiers usually have to pay their council tax bill. Where homes are rented, the tenants will have to pay. In the case of empty homes, it is normally the owner who has to pay. The owners of the following properties also pay council tax:

- Residential care homes, nursing homes and hostels
- Those occupied by:
 - a) A minister of religion or a religious community
 - b) More than one household
 - c) Resident staff or asylum seekers.

North West Leicestershire District Council is the local authority responsible for collecting the council tax in this area. We keep less than 10% of this and pay the rest over to the county council, the police and crime commissioner, the fire authority and the parish and town councils.

Council tax appeals

If you do not agree with the band for your home and wish to make an appeal, please contact the Valuation Office on 03000 501501 or go to the Valuation Office website: www.voa.gov.uk

Other appeals

If you wish to appeal against any other matter regarding your council tax, please do so in writing to the Council Tax Team. You can email the team at revenues@nwleicestershire.gov.uk or write to us at:

F.A.O. Council Tax Team, The Leicestershire Partnership, PO Box 10004, Hinckley, Leicestershire, LE10 9EJ.

You should continue to pay your original council tax demand notice whilst your appeal is outstanding. In the event of an overpayment, the credit will be offset against any outstanding balance and the remainder refunded to you.

Council Tax Support Scheme

With effect from April 2013, 'Council Tax Benefit' was replaced by a local Council Tax Support Scheme. The Government reduced the amount of money local councils received to provide full discounts on Council Tax for working age people.

Everyone under state pension age must pay some council tax.

From 2018/19, working age people (in receipt of maximum Council Tax Support) have to pay 15% of their council tax charge.

It is important that you contact us as soon as you receive your council tax demand notice if you need help and advice on how to pay your charge.

People of pensionable age who were in receipt of council tax benefit are protected from these changes. You will continue to receive the same level of support that you would have done under the council tax benefit rules.

Important note:

If your circumstances change you should report this to the council within a month of the change occurring. Failure to do this will be dealt with as an act of fraud. You can ring us on 01530 454551, email: benefits@nwleicestershire.gov.uk or write to us at F.A.O. Benefits Team, The Leicestershire Partnership, PO Box 10004, Hinckley, Leicestershire, LE10 9EJ.

People who are entitled to claim, or are already claiming Pension Credit will not have to pay more than they do now.

How to pay

Paying council tax over 12 months

Council tax instalments can now be spread over 12 months instead of 10. Following your request, the number of payments will be dependent on the number of months remaining in the financial year. Your written request for 12 monthly instalments will automatically apply to the next financial year. If you would prefer to revert back to paying over 10 months, please notify us in writing and we will amend our records.

If you would like to pay your council tax over 12 months, please email your request detailing your name, full address and council tax reference number (shown on your notice) to revenues@nwleicestershire.gov.uk or write to us at F.A.O. Council Tax Team, The Leicestershire Partnership, PO Box 10004, Hinckley, Leicestershire, LE10 9EJ. Alternatively, please call Customer Services on 01530 454499.

Pay your council tax or business rates by Direct Debit

It's simple, convenient and secure.

You only need to set up a direct debit for council tax or business rates once. There is no need to cancel it at the end of the financial year.

Your payments will be automatically collected from your bank account on the dates shown on your demand notice.

After your final 2020/21 instalment has been collected, no further payments will be taken until the 2021/22 financial year starts and the first instalment becomes due in April 2020.

Set up a Direct Debit by going to www.nwleics.gov.uk/paybydirectdebit

Alternatively, simply call us on 01530 454499. Please have your bank account details and reference number to hand to allow us to set this up over the telephone.

Discounts and exemptions

Discounts

Council tax assumes there are at least two adults living in the home. If you live on your own, you are entitled to 25% discount.

If an adult within the household falls into one of the following categories then a discount may apply:

- Full time students, student nurses, apprentices, youth training trainees and foreign language assistants
- 18/19 year olds who are at or have just left school or college
- Patients resident in hospital or being looked after in care homes
- Severely mentally impaired people
- People in hostels or night shelters
- Low paid care workers usually employed by charities
- People caring for a person with a disability who is NOT a partner or child under 18 years old
- Members of religious communities such as monks or nuns
- People in detention (except for non-payment of council tax or a fine)
- Members of visiting forces, certain international and defence organisations.

Temporary absences owing to holiday or work will not normally result in discount entitlement.

Local discounts – empty property

North West Leicestershire District Council also has a local discount scheme for:

- Properties that are in need of, or undergoing major repair work or structural alteration. These properties are entitled to a 50% discount from council tax for up to 12 months.
- Properties that are unoccupied and unfurnished. These properties are entitled to a one month discount of 100%.

Long term empty properties – Unoccupied and unfurnished

From 1 April 2019 if a property has been empty and unfinished for more than two years a 50% premium will be added to the charge, which will mean that you will pay 150% in council tax.

If the property still remains empty and unfurnished after three years a 100% premium will be added to the charge which means you will pay 200% in council tax.

Second Homes - unoccupied but furnished property

From 1 April 2019 unoccupied and furnished properties will no longer qualify for a 10% discount.

Annexe discount – From 1 April 2014 annexes meeting certain criteria are entitled to a 50% discount. To qualify for a discount the annexe must be occupied by a relative of the person who is liable to pay council tax on the main home. If it is unoccupied the annexe must be being used as part of the main home. Please contact us for more details. If you wish to apply, we will send you an application form.

Disabled people

A property band reduction in the charge may be applicable if you, or someone who lives with you, is disabled and uses a wheelchair within the property or requires a room to meet their needs, or requires an extra bathroom / kitchen. Please contact the Council Tax Team if you wish to apply.

Special expenses and local parish precepts

Special expenses

When the district council provides services on behalf of a parish, or because there is no parish council in that area, these become special expenses of the district council and are only charged to the council tax payers in that area.

The table below shows where the special expenses are charged and how the charges are made up.

Special expenses are paid to the district council for maintaining parks, play areas, allotments, burial grounds, grass verges and any other open spaces owned by the council.

In areas where there are parish or town councils, a portion of your council tax is given to them to provide certain services, such as grass cutting and cemeteries. The following information gives you the financial details for parish and town councils. Where there isn't a parish or town council, the district council may take on some services. These are called special expenses - see page 11 for more information.

Flood defence

The Environment Agency is a levying body for its Flood and Coastal Erosion Risk Management functions under the Flood and Water Management Act 2010 and the Environment Agency (Levies) (England and Wales) Regulations 2011.

The Environment Agency has powers in respect of flood and coastal erosion risk management of main river and along tidal and sea defences in the area of the Trent Regional Flood and Coastal Committee (2369), Anglian Northern Regional Flood and Coastal Committee (2292) and Severn and Wye Regional Flood and Coastal Committee (2486km). Money is spent on the construction of new flood defence schemes, the maintenance of the river system and existing flood defences together with the operation of a flood warning system and management of the risk of coastal erosion. The financial details are:

The majority of funding for flood defence comes directly from the Department for the Environment, Food and Rural Affairs (Defra). However, under the new Partnership Funding rule not all schemes will attract full central funding. To provide local funding for local priorities and contributions for partnership funding the Regional Flood and Coastal Committees recommend through the Environment Agency a local levy.

A change in the gross budgeted expenditure between years reflects the programme of works for both capital and revenue needed by the Regional Flood and Coastal Committee to which you contribute.
