Under the Local Air Quality Management (LAQM) process, we understand that the latest update on these reports were due to be submitted at the end of June 2019.

Please could you email me a PDF copy of North West Leicestershire District Council's 2019 Air Quality Annual Status Report (ASR) (required to be submitted to DEFRA by June 2019) as soon as possible?

If this document is not currently available, can you please update me on the likely timescales for when you are likely to be able to send it.

Our response:

Please accept our apologies for the late response to your EIR request.

Our ASR's are can be found here:
