

# **Independent auditor's report to the members of North West Leicestershire District Council**

## **Report on the financial statements**

### **Opinion**

We have audited the financial statements of North West Leicestershire District Council ('the Council') for the year ended 31 March 2020, which comprise the Council Comprehensive Income and Expenditure Statements, the Council Movement in Reserves Statements, the Council Balance Sheets, the Council Cash Flow Statements and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20.

In our opinion, the financial statements:

- give a true and fair view of the financial position of North West Leicestershire District Council as at 31<sup>st</sup> March 2020 and of the Council's expenditure and income for the year then ended; and
- have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities section of our report. We are independent of the Council and Group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Emphasis of Matter – Effect of the Covid-19 pandemic on the valuation of property, plant & equipment and pension fund property assets**

We draw attention to Note 2 of the financial statements, which describes the effects of the Covid-19 pandemic on the valuation of the Council's property portfolio and the valuation of the Council's share of Leicestershire Fund's freehold, leasehold property and pooled property funds. As disclosed in Note 2 of the financial statements, the Council's and Pension Fund's valuers included a 'material valuation uncertainty' declaration within their report as a result of the Covid-19 pandemic. Our opinion is not modified in respect of this matter.

### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Head of Finance (& S151 Officer) use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Head of Finance (& S151 Officer) has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Council's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### **Other information**

The Head of Finance (& S151 Officer) is responsible for the other information. The other information comprises the information included in the Statement of Accounts, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### **Responsibilities of the Head of Finance (& S151 Officer) for the financial statements**

As explained more fully in the Responsibilities of the Chief Finance Officer, the Head of Finance (& S151 Officer) is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20, and for being satisfied that they give a true and fair view. The Head of Finance (& S151 Officer) is also responsible for such internal control as the Head of Finance (& S151 Officer) determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The Head of Finance (& S151 Officer) is required to comply with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20 and prepare the financial statements on a going concern basis, unless the Council is informed of the intention for dissolution without transfer of services or function to another entity. The Head of Finance (& S151 Officer) is responsible for assessing each year whether or not it is appropriate for the Council to prepare its accounts on the going concern basis and disclosing, as applicable, matters related to going concern.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but

is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

### **Matters on which we are required to report by exception under the Code of Audit Practice**

We are required by the Code of Audit Practice to report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make a recommendation under section 24 of the Local Audit and Accountability Act 2014; or
- we exercise any other special powers of the auditor under sections 28, 29 or 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects.

### **Conclusion on North West Leicestershire District Council's arrangements for securing economy, efficiency and effectiveness in the use of resources**

#### **Conclusion**

On the basis of our work, having regard to the guidance on the specified criterion issued by the Comptroller and Auditor General in April 2020, we are satisfied that, in all significant respects, North West Leicestershire Council has put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2020.

#### **Basis for conclusion**

We have undertaken our review in accordance with the Code of Audit Practice issued by the Comptroller and Auditor General, having regard to the guidance on the specified criterion issued in April 2020, as to whether the Council had proper arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people. The Comptroller and Auditor General determined this criterion as that necessary for us to consider in satisfying ourselves whether the Council put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2020.

We planned our work in accordance with the Code of Audit Practice. Based on our risk assessment, we undertook such work as we considered necessary to form a view on whether, in all significant respects, the Council had put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

## **Responsibilities of the Council**

The Council is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

## **Auditor's responsibilities for the review of arrangements for securing economy, efficiency and effectiveness in the use of resources**

We are required under section 20(1)(c) of the Local Audit and Accountability Act 2014 to satisfy ourselves that the Council has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The Code of Audit Practice requires us to report to you our conclusion relating to proper arrangements. We are not required to consider, nor have we considered, whether all aspects of the Council's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

## **Use of the audit report**

This report is made solely to the members of North West Leicestershire Council, as a body, in accordance with part 5 of the Local Audit and Accountability Act 2014 and as set out in paragraph 44 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. Our audit work has been undertaken so that we might state to the members of the Council those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the members of the Council, as a body, for our audit work, for this report, or for the opinions we have formed.
