ENVIRONMENTAL INFORMATION REGULATION REQUEST 1112

I write further to your email dated 17 February 2020.

Your request has been dealt with under the terms of the Environmental Information Regulation 2004 (EIR), explained on our [Environmental Information Regulation](#) page.

Your request:

I wish to request, under the Freedom of Information Act, that you supply me with:

'The total spent on upkeep and maintenance of green spaces/areas which are maintained by the council, in 2016

The total spent on upkeep and maintenance of green spaces/areas which are maintained by the council, in 2017

The total spent on upkeep and maintenance of green spaces/areas which are maintained by the council, in 2018

The total spent on upkeep and maintenance of green spaces/areas which are maintained by the council, in 2019'

Our response:

We do not budget down to individual Green Space areas or any individual repairs and maintenance costs, so the only figures I can provide are the routine grounds maintenance costs that get charged to the Green Spaces cost centre (General Fund Cost) as per below.

	2016/17	2017/18	2018/19	2019/20
Green Spaces - Routine Grounds Maintenance	£83,225.00	£84,057.00	£87,663.00	£90,292.00

There could be some further Green Spaces routine grounds maintenance costs under Coalville Special expense areas but we don't have the information down to that level of detail. Under Coalville Special expenses it would all be included in with the grounds maintenance for recreation grounds, play areas, and open spaces.
