- 3) If applicable, the prices paid for using on-street charging points within a residential area, along with any discounts offered for residents.
- 4) If the council has applied for grant funding for on-street charging points within a residential area. If applicable, please advise how much the council applied for and how much was granted.
- 5) What, if any, budget has been set aside to install council owned on-street charging points within a residential area.
