FREEDOM OF INFORMATION REQUEST 1372

I write further to your email dated 22 October 2020.

Your request has been dealt with under the terms of the Freedom of Information Act 2000 (FOIA), explained on our [freedom of information](#) page.

Your request:

I'm looking into nuisance complaints data, specifically focussing on complaints around Christmas lights being too bright, distracting or offensive.

With that in mind, would you be able to supply the following data in excel format?

Number of complaints in your local authority specifically relating to Christmas lights or decorations for the period from 15th of November to 15th of January for 2015, 2016, 2017, 2018, 2019.

Our response:

North West Leicestershire District Council does not record complaints to the level of detail such that we can identify complaints regarding christmas lights specifically. As such, we do not hold the requested information.

The supply of information in response to a freedom of information request does not confer the right to re-use the information. UK copyright law allows information supplied for the purposes of private study and non-commercial research to be used without permission. Information supplied can also be re-used for the purposes of news reporting except for in the case of photographs.

If you are dissatisfied with the information supplied please feel free to contact me on the number above for any queries in relation to this response. Please remember to quote the Authority's four digit reference number given at the top of this email in any future communications.

If you remain dissatisfied following the conclusion of the above informal review, you have the right to ask for an internal review. A request for a review whether formal or informal should be submitted
