FREEDOM OF INFORMATION REQUEST 1456

I write further to your email dated 16 January 2021.

Your request has been dealt with under the terms of the Freedom of Information Act 2000 (FOIA), explained on our [freedom of information](#) page.

Your request:

I wish to file a freedom of information request to understand how your Local Authority IT systems block or allow certain websites.

In particular I would like to know, is the web domain "[tryal.ai](#)" currently blocked by your Local Authority IT system?

Does this block affect schools and education centres within your local authority?

What is the process to apply for the block to be removed?

Our response:

Schools and education centers are not managed by this council and are the responsibility of the county Council. You may want to direct you request to foi@leics.gov.uk. However, you may find that internet restriction in schools is handled be the schools themselves, in this case you will need to contact each school to determine their practices

Regarding the councils own IT systems, I can confirm that North West Leicestershire District Council holds the information you have requested. However, the information will not be released since it is exempt from disclosure under section 31 of the Freedom of Information Act 2000.

Section 31(1) (a) allows a public authority to withhold information if its release would, or would be likely to, prejudice the prevention or detection of crime. To apply the exemption under section 31, we are obliged to undertake a public interest test.

In this case, it is considered that the public interest in withholding the information outweighs the public interest in disclosing it and that therefore the information is exempt from release because information regarding the councils IT security practices could be used for criminal purposes.

The supply of information in response to a freedom of information request does not confer the right to re-use the information. UK copyright law allows information supplied for the purposes of private study and non-commercial research to be used without permission. Information supplied can also be re-used for the purposes of news reporting except for in the case of photographs.

GOING FORWARD

If you are dissatisfied with the information supplied please feel free to contact me on the number above for any queries in relation to this response. Please note that in responding to further enquiries I can only comment on the information contained within this correspondence and cannot provide any further information that may pertain to an additional FOIA request.

Please remember to quote the Authority's four digit reference number given at the top of this email in any future communications.

If you remain dissatisfied following the conclusion of the above informal review, you have the right to ask for an internal review. A request for a review whether formal or informal should be submitted within two calendar months of the date of receipt of the response to your original letter and should be sent to DPO@NWLeicestershire.gov.uk or the address above.

Further details on our appeals and complaints procedure can be found on our website [here](#).

If you remain dissatisfied following the conclusion of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at accessicoinformation@ico.org.uk.

Yours sincerely
