

NORTH WEST LEICESTERSHIRE DISTRICT COUNCIL

ENVIRONMENT ACT 1995 SECTION 83

**NORTH WEST LEICESTERSHIRE DISTRICT COUNCIL AIR QUALITY
MANAGEMENT AREA ORDER 2008 (NO. 1)**

Whereas it appears to North West Leicestershire District Council (“the Council”) that the air quality objective for the pollutant nitrogen dioxide (NO₂) is not likely within the relevant period to be achieved within its area. The Council, in exercise of the powers conferred upon it by the Environment Act 1995, Section 83, makes the following Order:

1. This Order may be cited as the North West Leicestershire District Council Air Quality Management Area Order 2008 (No. 1) and will come into operation on 9th January 2008
2. The area comprises the Bondgate area of Castle Donington. The northern extent of the AQMA shall extend to the junction of Bondgate with The Spittal and the southern extent shall extend to The Moira Arms 2 High Street as shown outlined in blue on the attached Map 01 is declared to be an Air Quality Management Area (“the designated area”) for exceedences of the annual mean air quality standard for nitrogen dioxide (NO₂).
3. This Order may be varied or revoked by a subsequent order.
4. When this Order comes into operation, the Council will cause an assessment to be made of existing air quality within the designated area.
5. Within 12 months of this Order coming into operation the Council shall prepare a report of the results of the air quality assessment and shall prepare a written action plan in order to pursue the achievement of air quality standards and objectives in the designated area.
6. Within 18 months of this Order coming into operation the action plan shall be in place and will include a timetable for the Council’s implementation of each of the proposed action plan measures.
7. The Council may revise the action plan from time to time.
