

AUDITED FINAL STATEMENT OF ACCOUNTS,
ANNUAL GOVERNANCE STATEMENT AND NARRATIVE REPORT
2022/23

North West Leicestershire District Council apologises that the final, audited Statement of Accounts, Annual Governance Statement and Narrative for the 2022/23 financial year are not yet available for review.

Due to the delay in the publication of the audited Statement of Accounts for 2020/21 relating to queries from the external auditors regarding the Council's Property, Plant and Equipment (PPE) records. Due to this work and the subsequent delay in completion of the audit of the 2020/21 Accounts, it is necessary to delay publication of the Council's 2022/23 Draft Statement of Accounts for public inspection, which subsequently has delayed the audit of the accounts.

Further notifications will be placed on the website once the audit of 2021/22 is complete and the 2022/23 Draft Statement of Accounts is available for public inspection.
