

Mr Andrew Mead
Examiner for the Hugglescote & Donington le Heath Neighbourhood Plan
(by email only)

cc Simon Weaver Clerk to Hugglescote and Donington le Heath Parish Council

Dear Mr Mead

Hugglescote & Donington le Heath Neighbourhood Plan: response to Examiner's procedural matters

Thank you for your letter dated 6th May in which you asked for clarification from the district council on the following matters.

Submission date

The neighbourhood plan was originally submitted to the district council on 9th October 2020. It was realised however that a SEA/HRA screening of the plan had not been undertaken and that this needed to be rectified. The screening was prepared and the statutory bodies were consulted between 21st January and 25th February 2021. Following this process, the parish council wrote to the district council on 4th March 2021 confirming the submission of the plan (letter attached). We therefore consider the submission date to be 4th March 2021.

NWL representations

I can confirm that the objections/comments in the final column of the document entitled "Appendix A NWLDC Officer Response, etc," do constitute the Regulation 16 response by the District Council to the Neighbourhood Plan.

I can also confirm that your letter has been placed on the district council's website.

Yours sincerely

Sarah Lee
