The first Older Persons’ Month was in September 2002 and proved to be such a popular and productive initiative that it was agreed to establish this as an annual event.

The theme this year is ‘Independence, Wellbeing, Community’. All of the activities listed in this booklet aim to promote positive messages about later life, to encourage everyone approaching and past retirement age to keep active and healthy, and to give information about services and activities which are available.

Activities and events include the involvement of a wide range of local organisations working together – including the local NHS Primary Care Trusts, Adults and Communities Department, Borough and District Councils, Voluntary Sector Organisations, Adult Education, Library Services, Emergency Services, Community Groups, local commercial interests and local older people.

You are welcome to attend any of the events listed.

Events are listed as follows:
• Key events, followed by other events in date order, followed by a section of regular events in day order.
• Activities taking place in libraries across the county.
• Additional information.

There is information on the services provided by Age Concern Leicester Shire and Rutland in the centre pages, and on benefits and concessionary travel. There is also useful additional information about activities such as the Age Concern Big Knit, the MacMillan World’s Biggest Coffee morning, museums and other services. Much of the information and contacts throughout the book are likely to be of help all year – so do keep it!

Look through the book, think about what interests you and contact the person listed where needed.

Some events require advance booking, but this is stated where it applies – so please do so. Contacts should be able to tell you about other things taking place in your area at other times. Don’t be afraid to call and ask!

To feedback on what you think about the events and activities you attend, and to give any ideas for next year please contact: Liz McGregor 0116 2334243 liz@communitiesinpartnership.org.uk Beaumont Enterprise Centre, Boston Road, Leicester LE4 1HB

Concessionary Travel

Application Form for older people resident within Leicestershire (excluding Leicester City)

Residents of Leicester can obtain a form from a City Council Customer Services Centre - 0116 252 7000

What benefits will I get from my travel pass?

Free Bus Travel

Your pass will enable you to travel free on local buses in all parts of England, between 9.30am and 11.00pm Monday to Friday and all day at weekends and bank holidays.

Passes are also valid for free travel on bus journeys starting in Leicestershire (outside Leicester City) between 11.00 p.m. and midnight on Mondays to Fridays.

Half fare travel community transport schemes

Passes are valid for half fare travel on Leicestershire community minibus and Dial-a-Ride services open to the public and on social car schemes.

Important Information

Replacement pass - You can obtain a replacement pass by calling the Customer Service Centre 0116 305 0002

Only the pass most recently issued to you is valid for travel. Therefore if you lose your pass and get a replacement, your original pass ceases to be valid, even if you later rediscover it.

Eligibility - From 6th April 2010, the statutory age of eligibility for a pass changed in line with changes to the women’s qualifying age for state pension.

Travel vouchers for those who do not have a frequent local bus service

If you live in a place that is more than 800 metres from a frequent local bus service (defined as a service operating hourly or more frequently on Mondays to Saturdays), as an alternative to the travel pass you can choose travel vouchers valid for full fare travel in some local taxis. Vouchers can also be used to pay for travel at full fare on buses, trains and with community transport schemes within Leicestershire and between Leicestershire and nearby towns in adjoining counties. You will get a photo-identity card, which must be shown to prove your identity each time you travel using the vouchers.

Vouchers are issued once per year to each person. The main renewal issue is in late April each year and the annual issue per person is currently £33. First time applicants can join the vouchers scheme at any time between 1 May and 31 January but will receive a lesser amount if applying after 1 September.

Each voucher is worth £1. Taxi drivers can decline to give change if the value of vouchers presented is greater than the fare.

How do I apply and how long will it take to get my pass or vouchers?

Fill in the form and send it to the address shown with a photograph of the size and standard as required for a passport. You will also need to send proof of entitlement, in the form of an original or photocopy of an official document showing your name and date of birth.

At our busiest times it can take us up to 28 days (4 weeks) to deal with all the applications we receive.

Send the form, photograph and proof of entitlement to Older Persons’ Travel Scheme, County Hall, Glenfield, Leicester LE3 8SR.

### Leicestershire Libraries

#### Leicestershire Library Services

There are 53 libraries across the county plus six mobile libraries that make fortnightly visits to villages and communities without a local static library.

A home library service is also available for residents who aren’t able to get to their local library.

The Library is FREE and easy to join, offers FREE book loans, and FREE internet access. Most libraries offer large print books, talking books, and films to hire and have special equipment, eg. magnifiers, induction loops. Some have specially adapted computers for disabled use.

Concessions for paid-for services are available for people with arthritis, visual impairment or physical disability.

Additional Information

Walking is the perfect start to exercising regularly

If you want to feel good, keep your heart strong and lower your risk of developing major chronic diseases, then walking could be the perfect start.

By exercising regularly you can lower the risk of developing major chronic diseases such as heart disease, stroke, some cancers and type two diabetes. It can also reduce the risk of and help in the management of conditions such as osteoporosis, back pain and osteoarthritis.

Not only is walking something that most people can do, it also helps to reduce blood pressure, help you to manage your weight, reduce stress and give you more energy, which in turn will improve your health, confidence and quality of life.

Walking is a fantastic way to get active. It is something that you can do anywhere and at any time, it’s free and you can start slowly and build up gently.

Adults should aim for 30 minutes of moderate intensity exercise five times a week. A good way of achieving this is by taking a brisk walk which will make you breathe a little faster, feel warmer and increase your heart rate slightly.

Your 30 minutes don’t have to be done all at once – you can break them down into 10-minute bursts of activity spread throughout the day.

If you are new to walking regularly it is best to start off slowly and not overdo it, especially if you can only walk for a couple of minutes to begin with. Try starting off with two walks of 10 minutes on three days a week. Over the next few weeks increase the length of your walks, building up to exercising for 30 minutes five times a week.

Once you feel ready try increasing how fast you walk, aiming for a brisk pace. This means still being able to talk, so if you can’t have a conversation while exercising you may be going too fast! You also need to challenge yourself with a few steeper inclines or hills.

Make sure you start your walk slowly before building up your pace, and towards the end gradually slow down your pace to allow your body to cool down and finish with some stretches to improve your flexibility.

Your aim should be to build walking into your daily routine and steadily improve how long and how far you can walk.
Top tips for walking

- Try to build walking into your daily life
- Wear a comfortable pair of shoes which provide good support and don’t cause blisters
- Choose clothes which are loose fitting so you can move more freely and wear thin layers that you can remove if you feel too hot
- Take a bottle of water
- If it is sunny wear sun cream and a hat so you don’t burn – try to avoid walking during the hottest times of the day
- Do a regular walk with a friend
- Join a Walking for Health group, which meets for free, regular short walks every week. To find your nearest group visit www.wfh.naturalengland.org.uk/walkfinder and enter your postcode, or alternatively call 0300 060 2287

Benefits of physical activity:

By exercising on a regular basis you will start to notice a difference. You will have:

- Better health
- More energy
- Less stress
- Stronger bones and muscles
- Better balance, strength, suppleness and mobility
- Improved sleep
- A better body shape
- You can reach and maintain a healthy weight
- Have a sense of achievement
- More social opportunities

It is recommended that adults have 30 minutes of moderate intensity physical exercise at least five days a week. This can be anything from walking, gardening or any activity that gently raises your heart rate. It can also be broken down into 10-minute bursts of activity spread throughout the day.

For children it should be 60 minutes of moderate intensity physical activity per day, which can be anything from playing to swimming or walking to school.

Age Concern Leicester Shire & Rutland, Innocent, Boots and Sainsbury’s are calling for all knitters to join in The Big Knit this year to raise much-needed funds to help keep older people warm and healthy this coming winter.

The local Age Concern has pledged to make 25,000 little hats and needs your help to achieve this challenging total which will assist its winter warmth campaign. People across the UK will be supporting the 2011 Big Knit campaign by knitting the little woollen hats to sit on Innocent Smoothie® bottles in November in Boots and Sainsbury stores nationwide.

Knitters can get a simple knitting pattern from Clarence House (Humberstone Gate) and Lansdowne House (113 Princess Road East), by post or online at [www.ageconcernleics.com](http://www.ageconcernleics.com). If you don’t fancy knitting yourself, wool and needles can be donated to Age Concern Centres. For more information on the Big Knit contact Age Concern Leicester Shire & Rutland on 0116 2237344.

Please arrange for your knitted hats to reach Age Concern Leicester Shire & Rutland (Ref: BDM), Lansdowne House, 113 Princess Road East, Leicester, LE1 7LA by the end of September. Happy knitting!

NHS RETIREMENT FELLOWSHIP – For those who have retired from the NHS

The fellowship provides continuing friendship with your retired colleagues, places to go such as days out, holidays and theatre visits. It also has a support service if you are unwell, hospitalised or housebound and a benevolent fund if the need arises.

The Leicester branch meets the **first Tuesday of every month at the Sports and Social Club of the Leicester General Hospital.**

We meet from 2pm to 4pm. We begin with a short business meeting where everyone is brought up to date with coming events, news of sick members and intended outings including holidays. This is followed by visiting guest speakers with many and varied subjects. After the talk there is the opportunity to catch up with friends over a free cup of tea or coffee. Yearly subscription to the Fellowship is only £5.00. Between the monthly meetings we have a games afternoon which is very popular, and again held in the Sports and Social Club, with Scrabble and a variety of games. There is a lot of chatter and a fair amount of cheating but the whole idea is to get together and have fun. We would love you to come and join us. Make that call and join. Leicestershire Local Involvement Network (LINk) and Rutland Local Involvement Network (LINk)

Ever wanted to give your views about Health or Social Care services in Leicestershire or Rutland, offer an opinion on how things could be improved, or talk about an experience you might have had – good or bad? Well, now you have the opportunity. Leicestershire LINk and the Rutland LINk are independent networks for local people and voluntary organisations.

The role of the LINk is to find out what people think about health and social care services, and to work closely with the Local Council, NHS Trusts and Hospitals to create lasting improvements.

Getting involved with a LINk, will give you an opportunity to improve health and social care provision in Leicestershire or Rutland and influence how services are run.

It’s easy to get involved and anyone can join. There are lots of different ways to be part of a LINk, from responding to an occasional survey, representing the LINk on an NHS Planning Group, working on a short-term project or meeting commissioners and planners of services. You can give as much or as little time as you wish. All are welcome and it’s FREE!

What does the LINk do?
The LINk has certain powers – such as being able to make visits to health and social care services to see them in action. The LINks have the power to take matters to a higher level and get a response.

• By involving you in decision making.
• By keeping you informed by newsletter, emails and our website.
• By inviting you to workshops, conferences and training events.
• By letting you know about proposed changes to services.
• By using your skills, experience and knowledge.

LINk values members’ time and commitment. Travel and care expenses can be paid. If you would like to join a LINk, please email your contact details to gemma@communitiesinpartnership.org.uk or write to: Communities in Partnership, Beaumont Enterprise Centre, Boston Road LEICESTER LE4 1HB Tel: 0116 229 3103

It’s not all about coffee...if you’re not a coffee drinker, or you’d prefer a healthier tipple then why not substitute coffee for herbal tea, fruit juice or water, or if you’re feeling adventurous, impress your guests with delicious smoothies!

To register for your World’s Biggest Coffee Morning pack, or to find out about events in your area, call Macmillan now on 0845 602 1246 or register online at www.macmillan.org.uk/coffee.

OPEN (Older People’s Engagement Network) for Leicestershire and Rutland

OPEN is a network of older people from across the county who act as a ‘communications’ channel, engaging with organisations that provide services for older people throughout Leicestershire, in order to inform and improve local services.

Most members belong to other local groups and networks so they are able to take information back to their localities, and raise issues from their localities, making two way communication possible and involving the views of a much wider range of older people.

Meetings are held every three months in Glenfield, and travel costs are paid to those who attend.

Leicestershire and Rutland Consumer Panel

Some people want to be involved in matters that interest them, but they don’t want to go to meetings. The Consumer Panel is a postal network of older people across Leicestershire and Rutland.

Panel members receive a mailing about six times a year. There are surveys, opportunities to comment on leaflets and take part in consultations on issues concerning older people, and members are also kept informed with what is happening by receiving information which is current and relevant. Panel members respond by using a FREEPOST reply service, and only need to take part on matters of personal interest.

If you would be interested in finding out more about either of the above opportunities, please contact Liz McGregor, Engagement Officer (Older People) at Communities in Partnership, Beaumont Enterprise Centre, Boston Road, Leicester LE4 1HB, ring 0116 2334243 or e-mail Liz at liz@communitiesinpartnership.org.uk

You can meet new people, or hear about new developments and contribute as little or as much as you like. Do get in touch to find out more.
Older People’s Community Champions Leicestershire and Rutland

There is currently an Older People’s Champion Network in hospitals, and also in care homes, and there are 14 Older People’s Engagement Network (OPEN) members who are champions who fall between the two networks.

The vision is to have Older People’s Community Champions (OPCC) across the County, supported by members of the Older People’s Engagement Network (OPEN) or a forum member from their local area.

- 10 trainers were trained on 29th June by the two people who head up the existing two networks Emma Spencer and Nas Mulji along with Liz McGregor who is leading on the Older People’s Community Champions.

- Potential Older People’s Community Champions (OPCC) will be sought during September Older Persons’ month at events, but also from existing forums and group contacts.

- Those interested will need to attend a two hour training session in their local District or Borough.

- All Older People’s Community Champions will already be involved in a group or groups in their locality and/or have contact and connections with a number of older people.

- Prospective Older People’s Community Champions do not need to be older themselves - they just need to have the interests of Older People at heart.

- The main duty of Older People’s Community Champions is to contribute to ensuring that Older People in their community are treated with dignity and respect, that they are not abused or taken advantage of, and that they have access to information about activities and services available to them.
Older People’s Community Champions

- Champions and trainers will be given access to workshops and training to contribute to their own personal development, to enable them to network with others, and to help them in their roles.

Those interested should contact Liz McGregor on 0116 2334243, at Communities in Partnership, Beaumont Enterprise Centre, Beaumont Leys LE4 1HB or e-mail: liz@communitiesinpartnership.org.uk
