

ARRANGEMENTS FOR PUBLIC ACCESS TO REMOTE MEETINGS

For the foreseeable future committee meetings at North West Leicestershire District Council are being held virtually using Microsoft Teams Live Events and broadcast live to enable the public to be able to view the meeting whilst the Council Offices remain closed to the public due to the COVID-19 Pandemic.

It is important that Councillors can discuss and take decisions without disruption so the only participants in this virtual meeting will be the Councillors concerned, the officers advising the committee and members of the public who have registered in advance to speak. Anybody else can still view the live stream of a committee meeting by visiting the Council's website.

A calendar of all upcoming committee meetings can be found here: <https://minutes-1.nwleics.gov.uk/mgCalendarMonthView.aspx?GL=1&bcr=1>

After selecting the committee you wish to watch you can view the meeting by clicking on the link to the livestream as shown below.
