Our depot in Coalville where your separated recycling is processed

Don't start a fire – please recycle batteries safely

Please recycle used batteries in a lidded, recyclable container such as a jam jar or butter tub and put this out next to your red boxes, not inside them.

Top recycling tips

Please keep glass in a separate red box to mixed plastics, cans, tins and foil

Please rinse, squeeze and squash your recycling

Recycle more garden waste by joining the additional garden waste service. Visit www.nwleics.gov.uk/paygardenwaste or contact us to find out more.

Separating recycling

Thank you for separating your recycling. This keeps the quality high, produces a better end product and means we can sell the recycling to invest back into council services.

Thank you!

Thanks to your efforts, in the past 12 months, **18,000 tonnes** of waste has been recycled! That's the equivalent weight of **118 jumbo jets!**
